Understanding your Statement

About Some of the Terms on the Statement

Account is your applicable line of credit.

Available Credit is the amount of credit available to you within your credit limit that you have not already used. This amount reflects any holds that have been applied to your Account.

Conversion Date is the date that we converted an amount on your Revolving Portion to a Fixed Rate Advantage Option or Term Portion.

Current Plan Limit (only applicable to TD Home Equity FlexLine™) is the total of your Credit Limit plus the outstanding balance of any Term Portion above the credit limit.

Fixed Rate Advantage Option or Term Portion are the portions of your Account that have a set term, scheduled repayment obligations and amortization period.

Non-Interest Charges are fees that we may charge you for services or transactions as listed in your Account agreement.

Revolving Portion is the portion of your Account where interest is charged at a variable rate. The available credit varies within the credit limit as you repay the outstanding balance.

Note: See your Account agreement for more information.

About Your Payments

Minimum Payment – The Payment(s) Due on the front of this statement are your minimum payment(s) as provided in your Account agreement. You must pay the minimum payment by the Payment Due Date. If the minimum payment includes any overdue amounts, the overdue amount must be paid immediately. If any Payment Due Date falls on a date which is a Saturday, Sunday or bank holiday, any payment scheduled for that date will not be applied until the following business day.

If you have authorized us to withdraw payments from a pre-authorized debit (PAD) account to cover your Credit Protection insurance, that payment will be added to the pre-authorized payment for the Revolving Portion and debited from your PAD account. These payments will show as "PYT+INS:" followed by the account number, on this statement.

Business Day Processing

If your transaction falls on a day that is not a Business Day, the transaction will be completed on the next Business Day. This may result in additional interest being charged. Business Day means any day other than Saturday, Sunday or any day on which the Bank is not open for business in Ontario.

Minimum Payments to your Revolving Portion can be made via:

- EasyLine® telephone banking
- EasyWeb® Internet banking
- Green Machine® ATM
- TD Canada Trust Branch
- Mail
- TD app

About Insurance

Insurance Premiums

For customers with Credit Protection, the insurance charge appearing on this statement applies to the Revolving Credit portion and any Fixed Rate Advantage Option/Term Portions you may have for this Account. Your premium will fluctuate monthly based on your age at billing, your average monthly balance and the number of days in the billing period. For information about Credit Protection or your insurance premiums, please refer to your Certificate of Insurance or contact TD Life 1-888-983-7070.
